PROFESSIONAL WORK EXPERIENCE

Data Science & Analysis Intern

February 2024 - May 2024

Zidio Development – Mumbai, India

- Analyzed weather data from various sources to identify climate patterns and developed targeted awareness campaigns, leading to a 15% increase in conservation efforts.
- Implemented models to predict wildlife consumption rate by 2050 to warrant brainstorming on measures to be implemented to curb it.
- Created interactive data visualizations using Tableau and Power BI to communicate complex insights, leading to improved decision-making across departments.

Guests Representative

July 2023 - Till Date

Norrskan House – Kigali, Rwanda

- First Point of Contact: Greeted and engaged with over 1000 members and guests, assisting with registration and onboarding processes.
- Assisted with record keeping of the number of guests and members daily, and also keeping track of membership payments made to ensure smooth financial tracking and analysis.
- Conducted over 90 insightful tours fostering meaningful community connections

EXTRACURRICULAR ACTIVITIES

Youth Making Impact (YMI) - Nigeria

September 2019 - December 2022

- Assisted in organizing a food drive with a team of 30, focused on eradicating hunger and providing solutions for social impact.
- Successfully delivered multiple community outreaches with sessions on sensitive topics like hygiene, conservation, and STDs.

Wellness Specialist (ALU) - Rwanda

January 2024 - Till Date

- Led a successful consent awareness campaign at the African Leadership University, significantly enhancing student understanding and promoting a culture of respect.
- Assembled a team to handle the wellness center's media presence and also implemented innovative strategies to increase engagement and promote wellness resources among students.
